

Dear Contractor

We wish you a Happy New Year for 2010.

Thank you for attending the Magna North Ltd Meet the Supplier Day that was held in Caernarfon, Gwynedd on the 1st December 2009. This was a very successful day with 143 organisations showing a keen interest in building a sustainable local supply chain with the Magna North Ltd sites.

A number of questions were raised on the day and in response, I attach a very short questionnaire that should take no more than a few minutes of your time to complete. The answers you give will be completely confidential and impartial and will be used for research purposes only. They will not form any part of a bidding process nor be taken into account in any future business with Magna North Ltd.

The information provided will help us identify how we need to adapt and develop our business to enable us to be prepared for the changing business needs of the future.

Thank you in advance for your time and effort in completing the short questions. If you have any queries, please contact me on the telephone contact details below.

Please send your responses back to me by 31st January 2010.

Jan Milburn
